

What Will Your Legacy Be?

*Clean and healthful.
For them, forever.*

Join MEIC's Clean and Healthful Legacy Society

There are many others like you who want to preserve Montana's environment. We invite you to join this group of everyday visionaries who have taken concrete steps in their wills to help MEIC do the work of preserving what is best about the last best place.

You don't have to be wealthy

Legacy gifts are gifts that anyone, of any means, can make. You can always change your mind just by changing your will.

You know us

We are MEIC

In 1973, a group of Montanans decided that our environment deserved a voice. Since that day more than 50 years ago, it has had a strong one. MEIC has lobbied at every single legislative session since.

For decades, your generosity has been instrumental in stemming the tide of ecological degradation from mining, fossil fuel extraction, industrial pollution, and corporate greed.

Your willingness to participate – whether it be through letter-writing, testifying, protesting, or donating – has been crucial to our success so far.

We believe that individual Montanans, standing together, have the power to safeguard what's most important – the health of our communities and environment.

You know our work

Clean water

Clean energy

Clean air

Liveable climate

With just a small effort on my part, I rest a bit easier in these challenging times knowing that beyond my annual contributions, I will be continuing to support MEIC's critically important work into the future.

Roger Sullivan

Member of MEIC's
Clean and Healthful Legacy Society

You share our values

MEIC values history and the hard work of its founding members

Montana has an incredible legacy of environmental advocacy. MEIC current members and staff stand on the shoulders of giants.

We value tenacity and perseverance

MEIC stands up for the environment in a way that other organizations and agencies won't.

We value the insight of our citizens

MEIC assists Montanans as they organize their local communities by providing technical, strategic, and legal advice.

We value Montana's Constitution

MEIC's landmark legal victory established that the right to a clean and healthful environment is fundamental for all Montanans.

Now, through thoughtful planned giving, you can continue to provide crucial support to MEIC after you are gone while possibly receiving significant tax and income benefits today.

Planned Giving is Easier Than you Think

Just a few options include:

Make a simple gift in your will, also called a bequest. Make a provision in your will that designates a specific dollar amount or percentage of your estate to MEIC, just as you would for a person.

List MEIC as a beneficiary on life insurance policies. Policy benefits pass directly to MEIC with no federal estate taxes.

Designate MEIC as the beneficiary of the remainder of a retirement or savings account.
